Re: Docket No: 2017-350-E

Ladies and Gentlemen:

I am a citizen of the State of South Carolina and a customer of SCE&G. I would appreciate the opportunity to speak at the upcoming hearing concerning the combination of SCANA and Dominion and the abandonment of the V.C. Summer Units and associated customer benefits and Cost Recovery Plans.

As a "senior citizen" I am deeply concerned that the needs and concerns of seniors may be overlooked by SCANA and Dominion. Those needs must be heard by the Commission in order that you learn all sides of this issue. I do not belong to any special interest group. I am not a candidate for any elective office.

I believe that I am properly requesting this opportunity. If I have not properly made my request please advise as to what I must correct. I will do that. Also, please advise of the hearing date(s) and location.

Thank you for your attention.

Kevin M Nadzam
